Green Masters Program Certification

The Wisconsin Sustainable Business Council recognizes and awards

SSI Technologies, Inc. - Controls Division

with the Green Apprentice designation.

As a Green Apprentice,
SSI Technologies, Inc. - Controls Division
has taken actions in each of ten sustainability areas
identified in the Green Masters Certification.

Thomas L Eggert
Executive Director, WI Sustainable Business Council

This certificate is printed on NEENAH PAPER's Environment® Cover PC100 paper, which is made from 100% post-consumer recycled paper and processed totally chlorine free. Made in Wisconsin, Environment® paper is FSC certified and made entirely from Green-e Certified renewable energy.
